

## WHAT & WHERE IS FIRCREST?

Fircrest is a residential facility for individuals with developmental disabilities. The Adult Training Program at Fircrest offers our residents vocational training and supported employment opportunities.

The physically and developmentally challenged persons who live and work at Fircrest can accomplish many tasks independently. This provides our workers with the opportunity to earn money. All of the income generated from your contract is paid directly to the person(s) performing your work, helping them to become more self-sufficient while enhancing self-confidence and self-esteem.

We are located in the city of Shoreline, just north of the Seattle city limits.

## WHAT CAN FIRCREST DO FOR YOU?
